

VirtaMed Connect

Access your simulator data anywhere with Connect

Keep your focus on education

Simulator management that lets you focus on what is important

- Access simulators remotely; no need to leave your office
- Conveniently assign courses and manage curricula
- Motivate your students with online leader boards

Proficiency-based progression

Use objective performance measurements to guide learning

- Coach students on key areas for improvement
- Monitor cohort progress; know who is training and when
- Capture and compare student results over time

Scale to your needs

Log in anywhere: across your simulators and devices

- Facilitate research collaboration with cloud-based data
- Manage multi-simulator and multi-site training programs
- Keep your simulators up-to-date; always know their status

Internet connection required

Maximize your simulator potential

Get VirtaMed Connect and more with our Gold Service & Support Package

Optimize your ROI

Demonstrate the value of your simulators

- Use reporting metrics: know how often your simulators are being used, when, and by whom
- Identify peak usage times and streamline scheduling
- Re-coup costs through external trainings

Control your recurring costs

The Gold Service & Support Package offers peace of mind

- Provide predictability and safety for your initial investment
- Secure coverage of incidental costs and repairs
- Gain access to free software updates for your simulator modules

Improve productivity

Minimize administrative overhead

- Log in anytime and anywhere thanks to remote access
- Limit downtime with 24/5 phone support, remote check-ups, and rapid exchange services
- Save time by using expertly-developed and society-endorsed courses

Choose the all-inclusive Gold Service & Support Package
